Big Iron Fishing Pole

By Thomas Andre

One of the best fishing poles in World of Warcraft is the **Big Iron Fishing Pole**. Anyone who wants to max out their fishing ability is going to need it at one point.

It only comes from one place and that is inside the cage traps on the ocean floor near the Horde town on the West coast of Desolace. If you head out near the town there (the area is green and grassy unlike the rest of Desolace) and go into the water directly west of the dock and swim down you will find traps littering the ocean ground there. When you open them you will either find shellfish, spawn a mob, or...get this rare fishing pole.

I was able to find 2 of these in a fair amount of time and guess what? They sell on my AH for over 25 gold! A map will be included within the next update.
